SOONERS SET FOR REGIONAL CHAMPIONSHIP

The University of Oklahoma men's golf team is set to compete in the 13-team NCAA Eugene Regional at the 6,990-yard, par-70 Eugene Country Club Thursday through Saturday (May 15-17) in Eugene, Ore. The low five teams and the low individual not on those teams will advance to the NCAA Championships finals.

"We are excited about our site selection, and Eugene Country Club is going to be great from what everyone I have talked to has said," OU head coach **Ryan Hybl** said. "It is tight and a position golf course. We are going to have to play great golf to get through to the finals, and we are excited for the challenge."

Last season, the Sooners advanced to the NCAA Championships finals for the third straight year and the 34th time overall by finishing fifth following a playoff on the 18th hole against South Florida at the NCAA Regional in Tallahassee, Fla.

Then-senior Abraham Ancer finished in a tie for 10th for the Sooners with a 209 (-7). Senior **Michael Schoolcraft** was OU's highest returning finisher. He took a share of 19th place with a 4-under 212.

The Sooners went on to place 11th at the NCAA Championships in Atlanta, Ga., matching their finish from the previous season.

OU will tee off in Thursday's first round of the NCAA Eugene Regional starting at 10 a.m. CT from the first tee.

SUCCESS CONTINUES UNDER HYBL

In just five seasons as OU's head coach, **Ryan Hybl** has helped turn around the program as he now leads the Sooners to their fourth-straight NCAA Regional appearance.

This year, Hybl's Sooners have won three tournaments, matching a program record from the 1999-00 season. OU's first-place showings have come at the Golfweek Conference Challenge, UTSA/Oak Hills Invitational and Wyoming Cowboy Classic.

Overall, OU has seven top-three finishes in 11 events. Individually, Sooners have finished within the top 20 in team events a total of 27 times this season.

Last season, OU advanced to its third straight NCAA Championships after placing fifth following an 18th-hole playoff against South Florida. The Sooners went on to finish 11th in the NCAA Championships for the second consecutive year.

OU MATCHES PROGRAM RECORD FOR WINS

With wins at the fall-opening Golfweek Conference Challenge, spring-opening UTSA/Oak Hills Invitational and Wyoming Cowboy Classic, the Sooners stormed to matching a school record for single-season victories, set in 1999-00.

At the Golfweek Conference Challenge, played in Burlington, Iowa, OU tallied a three-round 857 (-7) to secure a four-stroke lead. To open the spring slate, the Sooners claimed their second straight crown at the UTSA/Oak Hills Invitational in San Antonio, Texas, after scoring an 876 (+24). OU also took the 21-team Wyoming Cowboy Classic in Scottsdale, Ariz., with a 9-under par 831.

GELLERMAN MAKES ALL-BIG 12 TEAM

Junior **Michael Gellerman** was named to the 10-member All-Big 12 team on Thursday, May 1, after an impressive regular season. Gellerman has played in all 11 team events this year, posting a team-best 73.35 (+0.79) scoring average, as compared to a 74.43 (+2.83) mark a year ago.

At the Wyoming Cowboy Classic, held April 7 and 8, Gellerman grabbed his first career victory with a 6-under-par 204, a career-low 54-hole total. With the win, he became OU's first individual tournament medalist since 2011.

The Sterling, Kan., native has carded seven rounds in the 60s this season, including a career-best 66. In 2013-14, Gellerman has recorded one win, three top-five finishes, four top-10 finishes and seven top-20 finishes.

FOUR SOONERS NAMED ACADEMIC ALL-BIG 12

The Big 12 Conference named four Sooners to its 2014 Academic All-Big 12 Men's Golf Team in April. Junior **Michael Gellerman** (communication), junior **Charlie Saxon** (communication) and sophomore **Beau Titsworth** (finance) each earned first-team honors, maintaining a 3.20 or better GPA. Senior **Michael Schoolcraft** (economics) was placed on the second team.

The first-team honor is the second in a row for Gellerman, and Schoolcraft's second-team recognition comes a year after making the first team. The award was the first for both Saxon and Titsworth.
